About Dk3 Group

Kalamb - Walchandnagar - a rural area is suffering from poverty, illiteracy, drought and unemployment. The basic cause of all these evils was rightly identified by Shri. Uttamrao Phadtare, who is a farmer and an industrialist, a great visionary and philanthropist. He converted his thoughts into reality by creating educational and training facilities. For this, he founded the Dnyan, Kala, Krida & Krishi Pratishthan in 2007 to provide education to the poor farmer at his doorstep, which boosted the socioeconomic progress of the rural people. Today, Shri. Uttamrao Phadtare is the President and his younger brother - Shri. Dattatraya Phadtare is the Secretary of Dnyan, Kala, Krida & Krishi Pratishthan. The Pratishthan is running following educational institutions:

- Vyankateshwara English Medium School (SSC Board)
- ITI Institute
- Late Shri Babasaheb Phadtare Polytechnic
- Maharashtra Institute of Management
- Late Sahebrao Phadtare Junior College (Sciences)
- Vyankateshwara English Medium School (CBSE)

Institution History

Dnyan, Kala, Krida & Krishi Pratishthan was established with a noble cause of propagating fundamental, higher and professional education with special focus on the rural students. In conformity with the above, Maharashtra Institute of Management (MIM) was established in the year 2009. The founders of the institute, being the management graduates themselves, have clarity about the requirement of a management program.

The Maharashtra Institute of Management campus is in a green and serene atmosphere at Kalamb Walchandnagar has emerged. Maharashtra Institute of Management (MIM) has a total intake of 120 students from diverse background, who undergo a rigorous M.B.A. training program for the period of two years.

Vision

"Transferring dreams into reality by developing an individual's potentials through spread of knowledge and wisdom in an intelligent environment."

Mission & Goals

"To enrich the knowledge and enhance the facilities to help the Dnyan, Kala, Krida & Krishi Pratishthan students to structure their careers to the glorious future and to develop the students as a source within and outside the organization by holistic focus on character building through a range of curricular, co-curricular and extracurricular activities. To facilitate a harmonious symphony of excellence in teaching with a motivational approach which shall be synonymous with rigor, intellectual discipline and sustained efforts to maximize learning."

From the President's Desk

In an increasingly competitive business environment - where national borders are of a less concern - it is clear that INDIA as a whole has a pressing need for sophisticated business leaders. These regional leaders must be wholly qualified to deal successfully with rapid and far-reaching changes, including the rapid development of information technology currently fueling global business. Maharashtra Institute of Management develops business management post graduates with the knowledge and analytical skills needed to take effective charge of the new economy.

University of Pune's MBA program continues to be reckoned as the first accredited program in Western India and in the top rankings in the Maharashtra region. Teaching is by case-study, balanced with lectures, seminars and group work, all of which emphasize the application of theoretical training to the practical problems managers face today and are most likely to face in the future.

Convinced that modern management education must take root in its home soil, Maharashtra Institute of Management provides management education that is both relevant and Indian. We cordially invite you to consider the Maharashtra Institute of Management, MBA program with all its resources, challenges and opportunities, to shape your future, with a ground success.

"Students development and bright future is our moto"

From the Secretary Desk

When we decided to establish a management institute in rural area, we knew it was a challenge. However, even today, majority of Indian resources come from villages. So we decided to have an excellent infrastructure for MIM to produce excellent professionals. Hence, Maharashtra Institute of Management (MIM) today has 2897 sq.mt. built up building of its own, situated within plush greenery of rural environment, and entirely pollution free atmosphere.

MIM adheres to all specifications of infrastructure given by the AICTE, DTE of Govt. of Maharashtra and that of University of Pune. For MIM, we have large class rooms, conference rooms, tutorial and syndicate rooms; all with required furniture, desks and benches, etc. For MIM, two fully equipped computer laboratories with necessary internet facilities have been provided.

Majority of the students come from adjacent rural localities. To sharpen their English communication skills, English language Laboratory is provided, for student to practice.

We have also provided Transportation facility for the students to reach MIM. For those students, who would like to stay on campus, hostel facility is also available.

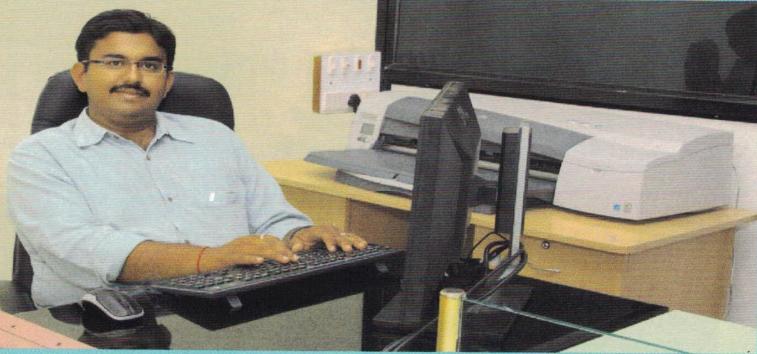

Your interactions and the suggestions to create and develop better infrastructure and environment are most welcome.

From the CEO's Desk

DKK&KP is focused on creating opportunity for all who can benefit from higher education. Our primary objective is to transform student's lives through learning. We aim to provide students with a supportive and challenging learning environment in which they can develop their academic and challenging capabilities and skills, and thereby become effective, educated and ethical graduates.

Dedicated and experienced staff is the key to achieving our vision as a leader in socially responsible teaching. Realizing this vision requires us to attract, retain, develop, recognize and reward the best staff. Supporting our staff and ensuring their time is allocated productively and efficiently is a foundation for our teaching.

We must ensure that through our academic activities we enhance the capabilities and choices of future generations of students can continue the advancement of knowledge for the public good.

The rich and varied experience of our faculty members in the industry enables them to be highly effective in citing real life examples while handling the theory. This helps them to convert from fresher's to the professionals and thus make them employment-ready to suit the corporate needs.

॥ शिक्षा दिनांकन - शोधाते ॥

From the Director's Desk

Dear sir/Madam,

Maharashtra Institute of Management (MIM) is proud to present before you, our enterprising and dynamic students.

The success of MIM mainly rests on five pillars. They are:

- 1) Proven system of education.
- 2) Dedicated and experienced faculty members.
- 3) Disciplined environment.
- 4) Academy Industry Interface.
- 5) Care for needy students.

The methodologies followed are Presentations, Seminars, Industry visits, Case study, projects and Field Experience, which help the students to develop their personality academically and professionally.

The rich and varied experience of our faculty members in the industry enables them to be highly effective in citing real life examples while handling the theory. This helps them to convert from fresher's to the professionals and thus make them employment-ready to suit the corporate needs.

We at Maharashtra Institute of Management (MIM) attempt to present many opportunities for our students to get engaged in co-curricular and extra-curricular activities to showcase their talents and improve their skills.

Apart from this, our students participate in major management fests that are being organized by other colleges and win prizes and accolades from all the management fests. We are also members of Maratha Chamber of Commerce, Industries and Agriculture (MCCIA) and have various other clubs and forums in the campus like Literary Club, Student Activity Programs (SAP), etc. to improve our students' organizing, management, presentation, communication and other soft skills.

I am sure that this batch of our M.B.A. students will prove to your expectation and I am confident that they will contribute to the growth of the organization in which they will work. Please do contact me or any of my colleagues if you require any further information from us.

With best wishes,
Prof. Jayant Panse
Director

Massage from Training and Placement Officer

Dear Sir/Madam
Greetings of the Day...!!!

I take this opportunity to introduce Dnyan, Kala, Krida & Krishi Pratisthan's "Maharashtra Institute of Management" as one of the premier institutes in Kalamb - Walchandnagar imparting management education.

The sole aim of Training & Placement Cell is to make DKK&KP the centre of excellence in the region and modal centre for the placement activities in this part of the country and beyond. The advancement of technology has shrunk the world and revolutionized our lives. At the same time it has broadened the scope and redefined trends in engineering and management applications.

We place special emphasis to create an environment highly conducive for building solid foundation of knowledge, communication skills, soft skills, personality development, self discipline, mockup interviews and enhancement of creativity through motivation and drive, which helps to produce professionals well trained for the regors of professional and social life.

The Training and Placement Cell acts as a bridge between the Industry and Institutions to take up Industrial training, Industrial visit, organizing seminars and other activities. Placement brochures are sent to the reputed Industries &Organizations, Students are actively involved in these activities.

The Training and Placement Cell organized guest lectures from industries because no professional education is complete without adequate input from the Industry. Students have found DKK&KP to be an effective launching platform. The skills of our students are appreciated at various campus drives and we have achieved excellent placements.

DKK&KP is adorned with distinguished faculty members, visiting faculty and dignitaries from various fields to provide individual guidance and counseling through seminars and workshops.

They generate awareness in students regarding future career options available to them. Their guidelines and vision mould students to international standards.

With best wishes,

Mr. Aasif S. Aleem
Head, Training & Placement Cell.

through
value based
education.**

॥ विद्या दिक्षारेण शोभते ॥

Profile of the College

MIM conducts a two year full time Post Graduate Programme in Business Management (M.B.A.) with specializations in Marketing, Finance, Production and Human resource Management. This M.B.A. program is affiliated to the University of Pune and approved by AICTE, New Delhi and DTE, Maharashtra. MIM provides value addition to its students by using innovative pedagogic methods like case method of learning, skill development workshops, English language labs, career counseling, guest lectures and industry visits.

Learning Ambiance

MIM have a contemporary learning ambiance. Lecture rooms are well airy and furnished. Teachings aids including LCD projectors and computer terminals are available for the use of faculty and students.

Competent and committed faculty

MIM faculty members follow a rigorous but interactive style of teaching. Faculty members are well qualified professionals as per the norms of the University of Pune and AICTE, New Delhi, who have the necessary exposure to industry. Faculty members are drawn from a pool of professionals who have an aptitude for teaching and have a strong commitment to all around development of students.

Continuous evaluation

Students are exposed to continuous and rigorous process of review through internal evaluation, midterm examinations as well as end term examinations. This ensures that they are constantly alert and are acquiring new learning consistently through the program. The continuous evaluation system ensures that students who have demonstrated commitment and seriousness consistently through the program finish with the best grades.

I.T. Infrastructure

MIM is equipped with a state of the art computer laboratory with required software installed. Advanced English language lab is established to improve the communication skills of the students. Internet access is provided to students who wish to access the World Wide Web for carrying out research activities.

Library facilities

MIM is having a library with a good collection of books and reference books, which are made available to students. Library subscribes to a variety of business journals, magazines and daily newspapers which enable students to keep up with recent literature on management theory and practice.

Workshop and Lab

MIM organizes special workshops for development of skills such as interpersonal communication, presentation and group discussion. In addition to the above, English labs are conducted to enhance speech and writing skills in English.

Seminars

Students participate in seminars on management topics organized by professional bodies and also participate in competitions conducted by student bodies.

Practical Training & Project work

Each student shall have to undergo a practical training for a period of not less than 50 days during the vacation at the end of First Year. Based on actual training during the vacation, the student shall write a project report on the topic selected under guidance of an internal teacher and submit the same to the Director of the institute before the end of Semester III. The Project Report shall be assessed by the Internal Teacher. Basis of a certificate of concerned teacher that the project report has been satisfactorily completed, that the student would be allowed to appear for the examination of Semester III. There will be an external viva-voce basis on the project work at the end of Semester III.

Project Work is an introduction to the MBA studies as to how to handle real-life problem/situation in a business organization by analyzing it and developing the best solution for it. The summer internship program is an invaluable experience for students and is the foundation for high level contribution at an early stage on final placement.

Code of Conduct & Discipline Rules

1. Uniform as prescribed by the institute is compulsory for all the students.
2. As specified in university of Pune rule, minimum 75% attendance in each subject is compulsory. A student having less than 75% attendance will not be eligible to appear for examination.
3. Every student must complete prescribed term work as per the completion schedule fixed by the institute.
4. Periodic tests are compulsory & conducted as prescribed in the curriculum. Marks secured by candidate in these regular tests are considered for internal marks.
5. Student must be punctual in attending lectures. Student coming late to the classes will be marked absent.
6. Student must maintain silence & strict discipline within & outside classroom, library, laboratory & all other areas in campus.
7. Student must have their identity card while they are in college campus.
8. Any act on the part of student causing damages to cleanliness of any part of campus will be charged with heavy fine.
9. Religious festival like Holi, Dahihandi etc. will not be permitted in the college campus.
10. Student should not loiter in corridors & should not disturb other.
11. In case, if student wants to remain absent for some reason, he or she will be required to take prior permission of Director or HOD, but will be for limited period.
12. Student shall handle all instrument and equipments with due care. Any loss/damages caused to institute property by students will be recovered from student.
13. Student must read notices displayed on notice board of institute. The institute will not be responsible for the loss of any advantages of the student due to his failure to read the notice in time.
14. Student if found including I anti-national activities contrary to rule of discipline will be liable to expelled from the college without any notice by the principal of the college.

Anticipitation Fee Act is followed by institute.

ANTI RAGGING ACT 1999

Ragging is an offence under **MAHARASHTRA PROHIBITION OF RAGGING ACT, 1999**

The Institution is bound by the UGC Regulations on Curbing the Menace of Ragging in Higher Educational Institutions 2009."

In order that no incidence of Ragging is ever reported at **MAHARASHTRA INSTITUTE OF MANAGEMENT, KALAMB-WALCHANDNAGAR**. Maharashtra Institute of Management has constituted an Anti – Ragging Committee which governs the prevention of any means of Ragging either within or outside the college campus.

Women's Grievance Cell

Women Grievance Cell has been constituted in the Institute in accordance to the guidelines issued by the Government of India to consider complaints related to any sexual discrimination/harassment of women in the Institute.

Maharashtra Institute of Management has constituted a women Grievances Committee which comprises female members from teaching and non-teaching as well as girl students. The committee looks after grievances/ concerns related to female employees and girl students .To provide information regarding counseling and support services on our campus.The cell wants to inform the campus community of their right to a respectful work and learning environment. It believes that if we practice respect, exercise empathy through our interactions with the other so that we do not hurt anyone though what we say or do then we can create a campus that is free of violence. Simple respect for all on the campus Community is thus the focal point. Efforts are underway to make it more pro-active in the system

Ragging within & outside of the campus, and in hostel premises is strictly prohibited and is cognizable offence.
